The Board of Directors

Washington, DC

We have audited the accompanying financial statements of the Sudan Relief Fund Inc. Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Sudan Relief Fund Inc. as of December 31, 2017, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization:

The Sudan Relief Fund, Inc. (Organization) (formerly Bishop Gassis Sudan Relief Fund Inc.), a nonprofit corporation, was founded in 1998 as a non-stock corporation in the State of Delaware. The mission of the Organization is to heighten awareness and to assist in capacity building, the provision of food, clothing, shelter, education, medical attention, and to proclaim the Gospel of Christ to the people of South Sudan.

Significant accounting policies are as follows:

Basis of Presentation:

Financial statement presentation follows the requirements of the FASB ASC 958-205 *Presentation of Financial Statements for Not-for-Profit Organizations*. Under FASB ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Organization had no temporarily or permanently restricted net assets at December 31, 2017.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect: (1) the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements; and (2) the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes:

The Organization is a tax-exempt organization that is generally exempt from income taxes, under Sections 509(a) and 501(c)(3) of the Internal Revenue Code. In addition, the Organization has been classified as an organization that is not a private foundation under Section 509(a). Income that is not related to exempt purposes, less applicable deductions, is subject to federal and state income taxes. The Organization did not have any unrelated business income for the year ended December 31, 2017.

The Organization's income tax informational return is subject to review and examination by federal and state authorities. The Organization is not aware of activities that are subject to tax on unrelated business income or excise or other tax.

Investments:

Investments are classified as trading securities and are stated at fair value.

Notes to Financial Statements

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Revenue Recognition:

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. All revenue is considered available for the Organization's general programs unless specifically restricted by the donor. Support that is restricted by the donor is reported as an increase in temporarily restricted net assets, depending on the nature of the restriction and when the restrictions are met. When a restriction expires (that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets in the Statement of Activities. Interest, dividends, and gain of investment are recognized when earned.
